

# COMFORTTECH

heating & cooling

## Client Courtesy Promise

*We* promise to send courteous, professional technicians to your home. If any of our technicians smoke or swear in your home, you do not pay us a dime. Our technicians will protect your belongings by wearing shoe covers, laying drop cloths, and cleaning up before they leave.

If they fail to take care of you in this fashion, you don't pay.

**Are you Comfortable?**

*Jeff Ballard*
